You ever get so excited about a concert, or not get to sleep, 'cause you can't get a song out of your head? That's the kind of excitement UP ALL NIGHT has when we get together and harmonize, and we want to share that with our audiences. We are Up All Night - and we hope you will be too! bigapplechorus.org/who-are-we/quartets

Since the Big Apple Chorus was established in 1983, it has brought its unique interpretation of the barbershop harmony style to such great performing venues as: Carnegie Hall (both in many of its own concerts and as special guests with Skitch Henderson and the New York Pops Orchestra), Lincoln Center's Alice Tully Hall, Radio City Music Hall, New York City's fabled Beacon Theatre, Shea and Giants Stadiums, the Central Park Band Shell, Symphony Space, the historic Salvation Army Theatre, and the South Street Seaport as part of its world-famous "Singing Christmas Tree." Big Apple Chorus is a proud chapter of the Barbershop Harmony Society. bigapplechorus.org

Sirens of Gotham is a brand new chapter of Sweet Adelines International, the premier women's singing organization in the world. RINGMASTERS is a barbershop quartet that was founded the fall of 2006, based in Stockholm, Sweden. The group all studied at Adolf Fredrik's school of music and graduated from Stockholm's Music High School. It was through the school choir the four members got to know each other and realized their shared passion for barbershop music. Today, they sing in the barbershop chorus Zero8, and many other choral groups. In July 2012, they became the first non-American quartet to win a Gold Medal in the Barbershop Harmony Society's International Quartet Contest. They enjoy a busy touring schedule throughout Europe, Sweden, and the United States. ringmasters.se
